

The Friends of Loughton Manor First School would like to invite all LMFS children to our first event of the year - the Halloween Party.

TICKETS ARE ON SALE NOW!

There will be a choice of two party sessions on the evening of Tuesday 31st October 2017, and these will be 4:45pm to 5:45pm and 6.15pm to 7.15pm. We expect the earlier session may be more suitable for younger children. Unfortunately we are unable to accommodate older siblings so please do not purchase tickets for them.

We will have fun party games for the children, plus colouring activities and a raffle. There will also be snacks and drinks available for the children to purchase.

We look forward to seeing you at one of the sessions - don't forget to put the date in your diary! Tickets are available to purchase now and until we break up for half term on Friday 20th October. Adults and Children are £1.50 each, Under 2s are free but still need a ticket so we can keep track of numbers. Due to capacity restrictions in the school hall we will be unable to allow entry on the night without a valid ticket. **Every person attending must have a ticket to get in on the night - no tickets will be sold at the door.**

Please see the attached volunteer request letter too.

Thank you for supporting your school and we hope everyone enjoys the party
