26<sup>th</sup> September 2018

Dear Parents,

### **SCHOOL NURSING TEAM – NURSES CLINIC**

Our termly school nurses clinic will take place on **Thursday 18<sup>th</sup> October 2018** from **9.30am to 12pm**. Individual appointments are a maximum of thirty minutes in length.

When you talk to your school nurse you talk ‘in confidence’ which means the school nurse will not talk about what you have said to other people or to your school without your consent. If the school nurse feels that a referral should be made to another agency or it is in your child’s best interests for information to be given to school they will discuss this with you at the clinic.

Examples of subjects you could talk to the school nursing team about are:

- Immunisations
- Support with mental and emotional health and wellbeing and when necessary sign post to other services
- Poor sleeping patterns
- Fussy eaters or poor eating
- Parenting support
- Support for education staff when a child has a health condition
- Nocturnal Enuresis (bedwetting) and support with continence
- Worries about you or other family members which may impact your school aged child
- Healthy lifestyle
- Where relevant, information about other NHS or outside services to support your child or your family

### **Other services and support includes:**

- Hearing and vision testing
- Weighing and measuring in reception and year 6, as part of the National Child Measurement Programme

If you would like to speak with the school nurse then please complete the form below with a choice of time that would best suit you and include the issue that you would like to discuss so that the nurse can prepare resources required. **Spaces are very limited and it is not guaranteed that you will receive a time you request because of high demand.** If you do receive an appointment, please attend at the allotted time.

Yours sincerely,

Lucy Lock  
Assistant Head for Inclusion
