A blurb from Rugby Tots:

“Our fun, structured play sessions take children on a journey of sporting imagination with engaging and energetic coaches supporting them every step of the way whilst teaching how to catch, pass, kick, run with the ball and play as part of a team. We use the multiple skills of rugby to create a fun, dynamic and imaginative environment whilst developing core motor skills (agility, balance and coordination) as well as enhancing core social and physical attributes through a series of games and exercises.”
